

## Spring / Summer Sale!

March 17<sup>th</sup> – 21<sup>st</sup>, 2009

**What is consignment?** Children's consignment is a way for you to sell your gently used, outgrown children's items and a way for you to shop for great bargains on kid's items at a fraction of retail store prices. We will display your items and pay you 70% of the sale price of your items sold minus a \$5.00 consignor fee. Consignment sales will bring higher prices than a garage sale. Prices are determined by condition of the item, factoring in the size, availability of the item, and the brand name. Another benefit to becoming a consignor is the Consignor's Pre-sale. The pre-sale is a buying period before we open to the public, allowing our consignors to get the best selection of the inventory. We are very selective on the quality of the items that we accept in order to bring only the best in consignment to our shoppers.

We will be accepting children's clothing size preemie to girls size 16 and boys size 20, maternity clothes, baby furniture, baby equipment, sports equipment, outdoor play equipment, books, videos, DVD's / CD's, video games, bedding, car seats, and toys.
